Subject: **Baden Powell Celebration 2010 (22 Feb 10)**

Start: St Rita School, Monday 22 Feb 10 starts at 19h00 for Scouts and Ventures

Plan: Have a Scout Group oriented celebration of Lord Baden Powell's birthday.

Note that this is a change to previous year's format and will take place as a Group meeting with all sections of the 72nd Scout Group.

The Baden Powell birthday celebration will be at St Rita school with the format being around a Group Meeting rather than pot luck supper as per previous years. This annual event occurs so that family and friends of the Scouting movement can get together, have fun and celebrate the Scout movement founder's (BP) birthday. Families are invited to come with their Scout, Cub, Beaver or Venturer and give thanks for the movement and to witness some of the Scout traditions.

Come and meet the other Scout kids and leaders in the Group. Bring a mug for drinks and cake will be served so if you bring a fork and plate, you may be able to save some land fill space.

The planned start of the event for Scouts and Ventures is about 19h00 and ends about 21h00. This will be the Scout meeting for this week. There will not be a meeting on Wed evening.

Come out and join in the fun.
