 - Winter Camp was a great time – even though we didn't get going until Saturday. Check out pictures at <http://www.72ndottawascouting.ca/WinterCamp2012/index.html>. Thanks to Nathan P and Rebecca L for offering to help us with transportation.
 -
- **Food Bank Visit:** Thanks to Rebecca L and Marco H for helping us with transportation to the Food Bank – we sorted a lot of food!
- **Kub Kars:**  Kub Kars is one of the Cubs favorite events. Basically we take a piece of wood, cut away so there is a design, and race them! Our Kub Kars will start in February when we do the cutting, racing in March, and the Heritage Area Kub Kar Rally in early April. Cubs can start thinking about a design! The following link has pictures of cars from past years - there is LOTS there to get

their imagination going! Note, we will be asking for \$5 to cover the cost of the kits.
